FRANKHAM GROUP

Postgraduate Structural Engineer (Building Structures)

Location: Sidcup, Kent with hybrid working

Term: Full-time

BRINGING IDEAS TO LIFE

Introducing an exciting opportunity to join the Structural Engineering Team as a Graduate Structural Engineer (Building Structures).

We are looking for an ambitious Graduate Structural Engineer to join our expanding Structural and Civil Engineering team. The Frankham Group operates within several construction sectors, for both private and public body clients. Projects you will work on will vary in size and will include detailed design projects ranging from extensions to multi-million pound new build in a number of sectors. You will initially join a team supporting the Lead Engineer in the delivery of projects with the aim of developing you as an Engineer leading to Chartership status.

Main Responsibilities

- Undertaking detailed design and assessments, specifications, and schedules.
- Experience in Eurocodes and British Standards.
- Experience in Structural design software, preferably with TEDDS/TEKLA/ROBOT.
- To be able to demonstrate previous experience and growth ambitions.

Candidate Specification

- Minimum of three years' experience.

Benefits

Frankham offer excellent benefits and initiatives, including:

- Flexible working policy.
- Annual leave - sell, buy & carry-over.
- Health Insurance - Health Shield cash plan.
- Long service award.
- Incentive scheme.
- Frankham Friday.
- Professional qualification support.
- Cycle-to-work scheme.
- Life assurance.
- Annual season ticket loan.
- Generous maternity & paternity pay.
- Long service awards.

About Frankham Group

Frankham Group is a multi-disciplinary consultancy company with over 40 years of experience, providing a full range of design and consultancy services to the built environment.

At Frankham, we have a dedicated and knowledgeable team of industry experts, all with diverse abilities, striving to provide high quality solutions to all our clients. The company strives to improve the surroundings in which we all live and work. Our belief is simple – use intelligent ideas to create human benefits. From environmentally sustainable buildings to individual commissions, our projects have one thing in common, they improve peoples' lives.

Established for over 40 years, we are a top 50 multi-disciplinary consultancy. We provide a truly integrated capability, providing all professional disciplines and a range of specialist services from within. Using directly employed staff allows us to take a holistic view of all the elements of each individual service, and their impact on every stakeholder of every project.

Our vision is to become the leading privately owned consultancy in the South of England, differentiating ourselves from the large corporates, being a best place to work and a leader in the market in each of our disciplines/specialisms.
