

Structural Engineer (Building Structures)

Salary:	Competitive
Location:	Sidcup, Kent with hybrid working
Team:	Structural and Civil Engineering
Term:	Permanent

We are looking for an ambitious Structural Engineer to join our expanding Structural and Civil Engineering team. The Frankham Group operates within several construction sectors, for both private and public body clients. Projects you will work on will vary in size and will include detailed design projects ranging from extensions to multi-million-pound new builds in a number of sectors. You will initially join a team supporting the Lead Engineer in the delivery of projects with the aim of developing you as an Engineer leading to Chartership status.

When you join Frankham, we will help you develop your know-how and apply your skills so that you achieve your full potential, eventually leading to Chartership. Our investment in training and your professional development, combined with the support and coaching from Frankham team members will help you learn and grow.

Our people are practical, friendly and are passionate about what they do. We believe in enjoying our work, going beyond expectations, and having fun in doing so.

We offer a competitive benefits package together with excellent career prospects and progression.
